Guidance Services >>> Financing Your Education >>> About a Timeline for Various Scholarships

---

In chronological order, this site lists most of the Ontario scholarships, and some of the out-of-province scholarships, that require an application.

**Disclaimer:** Users should be aware that groups and institutions might change any aspect (due dates, criteria, amount, etc.) of a scholarship at any time. Groups and institutions may also be slow to post these changes on their web sites. The date next to each item is the most accurate deadline available on the Internet or in print. If you become aware of any inaccuracies, please contact [Guidance Services](#) so that we can correct this timeline.

**Note:**

- Once you have accepted an offer from your chosen university, check for any scholarship opportunities that may be available for you during your first and consecutive years of study.
